

UTM
UNIVERSITI TEKNOLOGI MALAYSIA

Faculty of Electrical Engineering

**VACANCIES FOR THE POSITION OF SENIOR LECTURERS OF
ELECTRICAL POWER ENGINEERING
AT THE FACULTY OF ELECTRICAL ENGINEERING,
UNIVERSITI TEKNOLOGI MALAYSIA**

We invite applicants with qualifications in Electrical Power Engineering to apply for the above positions.

Applicants should have a recognized PhD degree in Electrical Power Engineering and should be able to teach both undergraduate and postgraduate levels, with emphasis on subjects covering the fields of Electrical Machines and Drives, and Power Systems Protection. Applicants will also be required to supervise research at the postgraduate level.

Preference will be for qualified Malaysian citizens holding degrees from prestigious overseas universities. PhD holders from Malaysian universities as well as PhD students currently at the final stage of completing their PhD thesis in related fields are also encouraged to apply.

Candidates should have the potential to work independently and demonstrate interest to conduct research in the various fields of power engineering, electrical machines and design or power systems protection.

Candidates should submit a current CV, copies of publication (if any), description of courses taught (if any) and two letters of recommendation to the following address:

**The Dean
Faculty of Electrical Engineering
Universiti Teknologi Malaysia
81310 UTM Johor Bahru
Johor Darul Ta'zim.**
