

**UTM**  
UNIVERSITI TEKNOLOGI MALAYSIA

**Faculty of Electrical Engineering**

**VACANCIES FOR THE POSITION OF LECTURERS OF SOFTWARE ENGINEERING  
AT THE FACULTY OF ELECTRICAL ENGINEERING,  
UNIVERSITI TEKNOLOGI MALAYSIA**

We invite applications for faculty positions as Lecturers/Senior Lecturers/Assoc. Professors with expertise in software engineering. The incoming candidates should demonstrate knowledge in object-oriented programming and software management with research experience in managing software projects, passion for education, and commitment to effective teaching.

Applicants must have a Ph.D in electronic engineering or a closely related engineering discipline. Mid-career candidates must have proven ability to sustain funded research programs. In addition, senior candidates should possess proven leadership skills, and an established reputation as a scholar.

Successful applicants will be required to teach; advise and mentor undergraduate and graduate students; develop independent externally funded research programs; participate in all aspects of the department's activities; and serve the profession.

Strong written and verbal communication skills are also required.

Applicants should consult the department's website at <http://www.fke.utm.my/ece> to review our academic and research programs.

**Job Location**

Faculty of Electrical Engineering, Universiti Teknologi Malaysia, Johor Bahru Campus

**Department**

Electronic and Computer Engineering

**Required Education and Experience**

Applicants must be a Malaysian citizen and must have a doctorate in electronic engineering or a closely related engineering discipline with emphasis on software engineering. Candidates with post-doctoral training and strong research background are highly encouraged to apply. Fresh Ph.D graduates are also encouraged to apply but must have a strong desire to teach and mentor undergraduate and graduate students. Ph.D students currently at the final stage of completing their PhD thesis are also encouraged to apply.

**Other Requirements**

Applicants should submit a cover letter, a current curriculum vitae (CV), teaching statement, research statement, and a list of two references (including postal addresses, phone numbers and email addresses) by applying for this specific position to the following address:

**The Dean  
Faculty of Electrical Engineering  
Universiti Teknologi Malaysia  
81310 UTM Johor Bahru  
Johor Darul Ta'zim.**
