Faculty of Electrical Engineering

VACANCIES FOR THE POSITION OF LECTURERS OF SOFTWARE ENGINEERING AT THE FACULTY OF ELECTRICAL ENGINEERING, UNIVERSITI TEKNOLOGI MALAYSIA

We invite applications for faculty positions as Lecturers/Senior Lecturers/Assoc. Professors with expertise in software engineering. The incoming candidates should demonstrate knowledge in object-oriented programming and software management with research experience in managing software projects, passion for education, and commitment to effective teaching.

Applicants must have a Ph.D in electronic engineering or a closely related engineering discipline. Mid-career candidates must have proven ability to sustain funded research programs. In addition, senior candidates should possess proven leadership skills, and an established reputation as a scholar.

Successful applicants will be required to teach; advise and mentor undergraduate and graduate students; develop independent externally funded research programs; participate in all aspects of the department's activities; and serve the profession.

Strong written and verbal communication skills are also required.

Applicants should consult the department's website at http://www.fke.utm.my/ece to review our academic and research programs.

Job Location
Faculty of Electrical Engineering, Universiti Teknologi Malaysia, Johor Bahru Campus

Department
Electronic and Computer Engineering

Required Education and Experience
Applicants must be a Malaysian citizen and must have a doctorate in electronic engineering or a closely related engineering discipline with emphasis on software engineering. Candidates with post-doctoral training and strong research background are highly encouraged to apply. Fresh Ph.D graduates are also encouraged to apply but must have a strong desire to teach and mentor undergraduate and graduate students. Ph.D students currently at the final stage of completing their PhD thesis are also encouraged to apply.

Other Requirements
Applicants should submit a cover letter, a current curriculum vitae (CV), teaching statement, research statement, and a list of two references (including postal addresses, phone numbers and email addresses) by applying for this specific position to the following address:

The Dean
Faculty of Electrical Engineering
Universiti Teknologi Malaysia
81310 UTM Johor Bahru
