**What is Intellectual Property?**  
Intellectual property refers to creations of the mind: inventions, literary and artistic works, and symbols, names, images, and designs used in commerce. Intellectual property is divided into two categories: Industrial property, which includes inventions (patents), trademarks, industrial designs, and geographic indications; and Copyright, which includes literary and artistic works such as novels, poems and plays, films, musical works, artistic works such as drawings, paintings, photographs and sculptures, and architectural designs. Rights related to copyright include those of performing artists in their performances, producers of phonograms in their recordings, and those of broadcasters in their radio and television programs. Category of Intellectual Property :

- > Patent  
A patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem.
- > Trademark  
A Trade Marks is a mark which distinguishes the goods and services of one trader from those of another. A mark includes words, logos, pictures, names, letters,

Assalamualaikum and Good day,

Dear researchers,

Please be informed that the deadline for applications for intellectual property protection via **INNOCOMMS** System is on 30th September 2019.

ICC has limited funding to process copyright an patents so it will be on a first come, first serve basis until funding is used up.

For your IP to qualify for eLPPT 2019 marks in the bonus section, you have to submit by 30th Sept.  
If you submit after the deadline, it will only be processed for eLPPT 2020.

Please submit your application as soon as possible.

Thank you.
