

UTM LIBRARY

Corporate Presentation 2020

VISION

To be the knowledge centre of excellence in science, technology and engineering

MISSION

To contribute to the enhancement of knowledge through easy access, dissemination and sharing of resources in science, technology and engineering

GOALS

- To provide information based services for its users.
- To manage information in line with the learning, teaching, research, consultancy, and publication of the university.
- To promote information services to UTM's internal and external community.
- To nurture a knowledge-based culture and towards excellence mind-set amongst UTM's internal and external community.
